

# Market Snapshot

(March '17 to April '18)

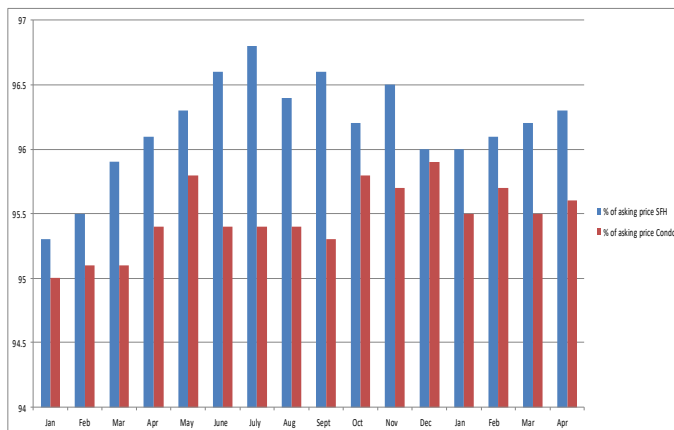

Sales volume picked up during the busy months of March and April. Sales should level off in the next couple of months.. Inventory has leveled off for now.

## Statistics compiled from local MLS data

Median sales prices for homes have shown a continuous increase over the last year. Homes are increasing somewhat better than condos.

Listing price to sales price % has remained at a high level vs a year ago. The percentage is better for single family homes than condos but not by much.
