Printed and PDF fillable version

Application Instructions & Lease Process

Read, fill out and sign this complete document. If you do not meet **any item** of the criteria you may be declined. You will also need to provide a copy of your current government issued **photo ID** and **proof of income**. Missing or incomplete paperwork will result in your application **NOT** being processed. Rush applications are not accepted.

Use the checklist below to verify you have completed this application fully:

- Signed and Completed Application. Pages 1 through 18 are required to be completed and returned.
- Provide current government issued photo ID for all adults 18 years of age and over
- Provide Proof of Income.
- Payment for credit/background check will be made by money order or cashiers' check. Fee is \$40 per adult. **This fee is NON-REFUNDABLE.**

The application package should be put in a **sealed envelope** and delivered to Checkerboard Realty, Inc., 801 West Bay Dr., #420, Largo, FL, 33770. Give this to the 4th floor receptionist and they will notify me that it is there. The receptionist does not work for Checkerboard Realty and cannot answer questions about the application or leasing process. The credit/background check takes 1 to 2 business days.

Upon satisfactory completion of the credit and background you will be notified with an approval letter by email. A start date for the lease will be needed before the lease can be ordered. You will also be emailed the condo or HOA application if required. The lease will be ready in 2 to 3 business days. Upon notice you will have 24 hours to sign the lease and pay the deposit and fees or we will move on the next qualified application.

The charge for lease preparation is **\$25** and the charge for condo or HOA preparation is **\$15** (if applicable) payable to Checkerboard Realty by **money order or cashiers' check**. The condo or HOA application fee varies by community and is payable by personal check directly to the condo or HOA association. Some condo associations or HOA's also required a separate security deposit. Payment must be made directly to them. See the condo application for details.

At lease signing the following items are due:

- Security deposit made out to Checkerboard Realty in the form of a **money order or cashiers' check**
- Condo or HOA application with fee if required
- Condo/HOA security deposit if required

The condo /HOA application typically takes 10 to 14 business days for approval and a signed copy of the lease is required to go with the application. You may be required to attend an interview before approval or move in.

The first months' rent amount is due at move in. Proof of electric service must be established in your name before the keys will given.

RESIDENT BENEFITS PACKAGE LEASE ADDENDUM

The Checkerboard Realty Resident Benefits Package (RBP) delivers savings and convenient, professional services that make taking care of your home second nature at a cost of \$45.00 per month, payable with Rent and defined as additional rent.

Tenant, Landlord and Checkerboard Realty mutually agree that the Resident Benefits Package is as defined in this Addendum and variations of inclusions may exist due to property specifications and availability of services. The Resident Benefits Package shall be in effect as long as Checkerboard Realty is managing the home. The total monthly cost of the Resident Benefits Package is all-inclusive, and no discounts will be given if any element(s) of the Resident Benefits Package are discontinued and/or unavailable due to property-specific limitations, availability of services or any other reasons. Landlord and/or Checkerboard Realty may have business relationships or affiliations with vendors and suppliers of services or products to the Tenant and may receive financial or other benefits from that relationship or affiliation.

HVAC FILTER DELIVERY: Tenant shall receive dated HVAC filter(s) delivered to their home approximately every 30 days for Tenant's convenience if the property has an HVAC system with disposable filters. Tenant shall properly install the filter that is provided within two (2) days of receipt and take a photo of the filter and the date. Tenant hereby acknowledges that the filters will be dated and subject to inspection by Landlord upon reasonable notice to verify replacement has been timely made. Tenant's failure to properly and timely replace the filters is a material breach of this agreement and Landlord shall be entitled to exercise all rights and remedies it has against Tenant and Tenant shall be liable to Landlord for all damages to the property or HVAC system caused by Tenant's neglect or misuse. If at any time Tenant is unable to properly or timely install a filter, Tenant may notify Landlord in writing and Landlord shall arrange for installation and may charge a trip fee or other fee to Tenant to perform the filter change. Tenant acknowledges that if the property does not have an HVAC system with disposable filters, there will be no filter(s) provided and there is no discount to the overall Tenant cost of the Resident Benefits Package.

CREDIT BUILDING: Landlord shall provide credit reporting to cast positive payment history through a third-party service. Landlord is not responsible for any misrepresentation, erroneous reporting, and/or lack of reporting by the third-party service. Tenant understands that any disputes will be handled directly between Tenant and the third-party service.

RENTERS INSURANCE REQUIREMENTS & PROGRAM: The Landlord requires Tenant obtain liability coverage of at least \$100,000 in property damage and legal liability from an A-rated carrier and to maintain such coverage throughout the entire term of the lease agreement. Tenant is required to furnish Landlord evidence of the required insurance prior to occupancy, at the time of each lease renewal period, and upon request.

To satisfy the insurance requirement, Tenant may either (1) be automatically enrolled into a policy that satisfies the coverage requirements as part of the Resident Benefits Package; or (2) obtain alternative liability coverage from an insurer of Tenant's choice. The option Tenant chooses will not affect whether Tenant's lease application is approved or the terms of Tenant's Lease.

Option 1: Do nothing. Tenant will be automatically enrolled into an insurance policy as part of the Resident Benefits Package. No further action is required. Coverage will begin on the effective date of Tenant's lease and continue throughout the lease term. Please refer to the evidence of insurance that is supplied by Checkerboard

Realty for additional coverage details. The Resident Benefits Package monthly rate will be adjusted by the premium amount in the policy.

Option 2: Buy a policy. If Tenant prefers, Tenant may find, purchase, and maintain another policy that satisfies the Landlord's requirements. The Resident Benefits Package monthly amount will be adjusted accordingly. Visit <http://insurance.residentforms.com/> and follow the instructions listed there to provide evidence of the required insurance coverage to your Landlord.

Please be sure that your policy meets the following criteria prior to submitting:

- Policy is purchased from an A-rated carrier
- Policy meets or exceeds the required \$100,000 in property damage and legal liability
- **Checkerboard Realty is listed as additional interest**
- **Checkerboard Realty address is listed as: PO Box 660121 Dallas, TX 75266**

It is Tenant's responsibility to pay premiums directly to your insurance provider. If the policy is terminated or lapses, Tenant will be subject to a lease violation fee of \$25 and agrees to be subsequently enrolled into the policy referenced in Option 1 above.

\$1M IDENTITY PROTECTION: By executing this agreement, you are agreeing to Aura's IdentityGuard Terms of Service and Privacy Policy with respect to the identity theft protection service provided as part of the RBP, which can be found at www.identityguard.com/www.aura.com.

RESIDENT REWARDS: Tenant shall have access to the resident rewards program. Rewards are to be accessed online and are activated at Tenant's sole discretion through use of a mobile application provided by the rewards provider. Rewards will provide Tenant with available rewards as a preferred customer of Landlord.

MOVE-IN CONCIERGE SERVICE: Tenant shall have a concierge service available to aid in utility, cable, internet, and other relevant service(s) activation. Tenant maintains the right to facilitate his/her own service activations. Tenant agrees to abide by all HOA and other lease restrictions and guidelines applicable to utilities.

HOME BUYING ASSISTANCE: Checkerboard Realty is a Licensed Real Estate Broker and offers buyer representation services and referrals to Tenants enrolled in the Resident Benefits Package for the purchase of real property. Compensation and detail of such services shall be agreed upon in a separate Agreement outside of this Lease.

ONLINE PORTAL ACCESS: Tenant shall have convenient online portal access for the purposes of reviewing pertinent documents, payment of Rent and other fee(s), and reporting maintenance concerns. Landlord reserves the right to restrict payment access to Tenant, at Landlord's sole discretion, should a pattern of delinquency arise and/or persist.

FREE ONLINE RENT PAYMENT: Tenant can make rental payments free of additional charge by using their Tenant Portal to initiate ACH and automatic ACH transactions. Rental payments using cash may also be made by Tenant at participating retailers (as applicable) for a service fee at the Tenant's expense. Restrictions of payment methods by the Landlord are permissible should a pattern of delinquency arise and/or persist.

TENANT cannot dictate that this deposit be used for any rent due. If TENANT breaches the lease by abandoning, surrendering or being evicted from the rental premises prior to the lease expiration date (or the expiration of any extension) TENANT will be responsible for unpaid rent, physical damages, future rent due, attorney's fees, costs and any other amounts due under the terms of the tenancy or Florida law. Security deposit refunds or other refunds, if any, are normally made in one payment in the names of all TENANTS, but LANDLORD has the option to divide the refunds, if any, into equal amounts made payable to each individual TENANT. All refunds, if any, shall be made by mail or electronically, at the option of the LANDLORD. The security deposit (and advance rent, if applicable)

will be held in the following manner: Deposited in a separate non-interest bearing account with **Wells Fargo Bank, 2515 West Bay Drive, Belleair Bluffs, FL 33770.**

Your lease requires payment of certain deposits. The LANDLORD may transfer advance rents to the LANDLORD'S account as they are due and without notice. When you move out, you must give the LANDLORD your new address so that the LANDLORD can send you notices regarding your deposit. The LANDLORD must mail you notice, within 30 days after you move out, of the LANDLORD'S intent to impose a claim against the deposit. If you do not reply to the LANDLORD stating your objection to the claim within 15 days after receipt of the LANDLORD'S notice, the LANDLORD will collect the claim and must mail you the remaining deposit, if any. If the LANDLORD fails to timely mail you notice, the LANDLORD must return the deposit but may later file a lawsuit against you for damages. If you fail to timely object to a claim, the LANDLORD may collect from the deposit, but you may later file a lawsuit claiming a refund.

You should attempt to informally resolve any dispute before filing a lawsuit. Generally, the party in whose favor a judgment is rendered will be awarded costs and attorney fees payable by the losing party.

The notice shall contain a statement in substantially the following form: This is a notice of my intention to impose a claim for damages in the amount of ----- upon your security deposit, due to -----. It is sent to you as required by s. 83.49(3), Florida Statutes. You are hereby notified that you must object in writing to this deduction from your security deposit within 15 days from the time you receive this notice or I will be authorized to deduct my claim from your security deposit. Your objection must be sent to (LANDLORD'S address). If the LANDLORD fails to give the required notice within the 30-day period, he or she forfeits his or her right to impose a claim upon the security deposit.

(b) Unless the TENANT objects to the imposition of the LANDLORD'S claim or the amount thereof within 15 days after receipt of the landlord's notice of intention to impose a claim, the LANDLORD may then deduct the amount of his or her claim and shall remit the balance of the deposit to the TENANT within 30 days after the date of the notice of intention to impose a claim for damages.

(c) If either party institutes an action in a court of competent jurisdiction to adjudicate his or her right to the security deposit, the prevailing party is entitled to receive his or her court costs plus a reasonable fee for his or her attorney. The court shall advance the cause of the defendant.

(d) Compliance with this subsection by an individual or business entity authorized to conduct business in this state, including Florida-licensed real estate brokers and salespersons, shall constitute compliance with all other relevant Florida Statutes pertaining to security deposits held pursuant to a rental agreement or the landlord-tenant relationship. Enforcement personnel shall look solely to this subsection to determine compliance. This subsection prevails over any conflicting provision of Chapter 475 and in other sections of the Florida Statutes.

ASSIGNMENTS/SUBLETTING: TENANT shall not assign this lease, transfer any interest, advertise or solicit any third parties to advertise any rental or use of the premises, rent to another or sublet the premises or any part thereof for any period of time. Airbnb or similar types of renting, subletting, room rentals, couch surfing, advertising to rent or use, or home exchanging is expressly prohibited and shall be a material breach of the lease agreement.

APPLICATION: If TENANT has filled out a rental application, any misrepresentation made by the TENANT in same will be a breach of this agreement and LANDLORD may terminate the tenancy. Lease may be contingent upon association approval of tenancy; when applicable, TENANT agrees to make good faith effort in diligently complying with association approval process.

SMOKING: Smoking or vaping of any substance is NOT permitted on the premises by TENANT, guests or invitees. TENANT understands that smoking or vaping on the premises shall be considered a material default under this lease agreement. In the event the premises are damaged in any way due to smoking or vaping on the premises, TENANT will be fully responsible for eradication of smoke related or vaping related odors and repair of any damage due to the smoking or vaping. TENANT agrees that smoke or vaping related damages will in no way be considered ordinary wear and tear.

RISK OF LOSS: All TENANTS' personal property in and on the premises including but not limited to vehicles shall be at the risk of the TENANT, and LANDLORD shall not be liable for any damage to said personal property of the TENANT arising from criminal acts, fire, storm, trees and branches, flood, rain or wind damage, electrical surges, acts of negligence of any person whomsoever, or from the bursting or leaking of water pipes. LANDLORD shall not be responsible for the loss of any food in the event of a refrigerator or freezer failure, defect or electrical failure. **TENANT is strongly urged to secure insurance for personal property.**

Upon default, TENANT shall owe LANDLORD rent and all sums as they become due under the terms of this lease and any addenda attached hereto and any and all amounts owed to LANDLORD as permitted by Florida law. If the TENANT abandons or surrenders possession of the premises during the lease term or any renewals, or is evicted by the LANDLORD, LANDLORD may retake possession of the premises and make a good faith effort to re-rent it for the TENANT account. Retaking of possession shall not constitute a rescission of this lease nor a surrender of the leasehold estate. If TENANT(s) breach this lease agreement, in addition to any other remedies available by law and this lease agreement, TENANT(s) shall be responsible to pay any leasing fees or commission charge which OWNER may incur in attempting to re-lease the premises through a licensed real estate company. TENANT'S or guest(s) actions or inactions result in any fines, attorney's fees, costs or charges from a city, county, neighborhood association or homeowners association if in place, or governmental agency, TENANT shall be in default of this lease and shall be immediately required to pay such sums as additional rent.

ATTORNEY'S FEES: The prevailing party in any litigation between LANDLORD and TENANT concerning enforcement of the terms and conditions of the lease shall be entitled to reasonable attorney's fees and court costs. Garbage and or trash removal is considered a utility under this lease. If the utilities which TENANT is responsible for are still in LANDLORD'S name at the time TENANT takes occupancy, TENANT agrees that LANDLORD shall order such utilities to be terminated. In the event a condominium association or homeowners association is currently providing any services to the unit such as cable, satellite TV, alarm monitoring, internet, water, sewer, trash, guarded security gate or other services and the association decides these services will no longer be provided, TENANT agrees and understands that LANDLORD shall not be required to replace, provide or pay for these removed services for TENANT. TENANT may opt to pay for nonessential services but shall be required to pay for essential services including but not limited to water, sewer and trash if the association no longer provides these services. The discontinuation of any such services by the association shall not be construed as a prohibited practice by LANDLORD nor shall it constitute a default under the lease. The failure of TENANT to retain and pay for essential services upon notice and demand by the LANDLORD shall constitute a material breach of the lease. In the event the premises is currently on well water, if the municipality or county decides to connect the premises to city/municipality water, TENANT agrees that TENANT shall be responsible for paying for the monthly water bill and monthly sewer bill if no longer on septic and shall place the water/sewer utility in TENANT'S name unless prohibited by the municipality to avoid any interruption in service. TENANT agrees that only the following vehicles will be parked on the premises: 2003 Honda Element and 2005 Honda Civic.

TENANT shall maintain the premises in good, clean and tenantable condition throughout the tenancy, keep all plumbing fixtures in good repair, use all electrical, plumbing, heating, cooling, appliances and other equipment in a reasonable manner, removing all garbage in a clean and sanitary manner. In the event TENANT or TENANT'S guests or invitees cause any damage to the premises, LANDLORD may at its option repair same and TENANT shall pay for the expenses of same on demand or LANDLORD may require TENANT repair same, all charges incurred as additional rent. TENANT is responsible for the expense of any service calls requested by TENANT deemed to be unwarranted or unnecessary by the service technician, or if the service technician deems the service call need is due to the TENANT'S misuse, or if the service technician is unable to gain access due to TENANT'S actions, even if the other terms of this lease would ordinarily make the LANDLORD responsible for such a service call charge. **TENANT shall also be fully responsible for, and agrees to maintain and repair at TENANT'S expense, the following: A/C FILTERS, REFRIGERATOR WATER FILTERS, LIGHT BULBS and SMOKE ALARM BATTERIES.** Unless otherwise stated in the lease, LANDLORD shall not be responsible for any exterior extermination. TENANT shall notify LANDLORD immediately of any maintenance needed in writing. Unauthorized repairs or other work or services conducted by or through TENANT on the premises will constitute a default under this lease and TENANT will not be compensated by LANDLORD for any unauthorized repairs or other work or services conducted on the premises by or through TENANT. TENANT agrees that they shall immediately test each smoke detector and shall maintain same. In the event there is a garbage disposal on the premises, LANDLORD has the option to remove the garbage disposal if it fails and re-plumb accordingly. TENANT is responsible for replacing dead light bulbs. In the event the light bulbs cannot be replaced with the same type of bulb due to law changes and lack of availability, TENANT agrees to replace the bulbs with an equivalent wattage CFL or LED bulb. In the event the refrigerator has a water filter, TENANT shall be responsible for purchasing and changing the water filter, as needed. In the event the TENANT is responsible for paying for LP/Propane gas, TENANT shall pay the fees and costs associated with the rental of the tank. If any plumbing issues result from TENANT and/or guests flushing anything into the toilet other than human waste and toilet paper, TENANT shall be responsible for any costs or charges incurred. Examples of items that should not be flushed down the toilet(s) or sent down other plumbing drains, include, but are not limited to, wipes, "flushable" wipes, sanitary napkins, feminine products, diapers, refuse, dental floss, grease, coffee grounds, or paper towels. **LANDLORD will have HVAC filters delivered to the rental premises approximately every 30 days. TENANT shall properly install the filter that is provided within two (2) days of receipt. TENANT hereby acknowledges that the filters will be dated and subject to inspection by LANDLORD upon reasonable notice to verify replacement has been timely made. If at any time TENANT is unable to properly or timely install a filter, TENANT shall immediately notify LANDLORD in writing. TENANT'S failure to properly and timely replace the filters is a material breach of this agreement, and LANDLORD shall be entitled to exercise all rights and remedies it has against TENANT, and TENANT shall be liable to LANDLORD for all damages to the property, A/C or heating system caused by TENANT'S neglect or misuse.**

VACATING: At the expiration of this agreement or any extension, TENANT shall peaceably surrender the premises and turn in all keys and any other property owned by LANDLORD leaving the premises in good, clean condition, ordinary wear and tear excepted. In the event all keys are not returned upon move-out, there will be a minimum charge to be deducted from the security deposit in the amount of \$50.00.

RENEWAL: LANDLORD or TENANT shall have 60 days to notify each other in writing prior to the lease expiration date of an intent not to renew the lease. If the required notice is not given by LANDLORD or TENANT,

and TENANT vacates as of the lease expiration date, TENANT shall owe an additional month's rent. If the required notice is not given by LANDLORD or TENANT, and no new lease is signed, the tenancy shall become a month-to-month tenancy, which may be terminated by TENANT or LANDLORD giving written notice not less than 15 days prior to the end of some monthly payment period. All other conditions of the lease shall remain in effect. Upon receiving proper notice from LANDLORD, if TENANT fails to vacate as of the lease expiration date or the end of any successive consensual period, TENANT shall additionally be held liable for holdover (double) rent thereafter.

RIGHT OF ENTRY: LANDLORD, upon reasonable notice by telephone, hand-delivery or posting to TENANT, has the right of entry to the premises for showings, repairs, appraisals, inspections, or any other reason. LANDLORD has immediate right of entry in cases of emergency, or to protect or preserve the premises. TENANT shall not alter or add locks without prior written consent. If consent is given, TENANT must provide LANDLORD with a key to all locks. LANDLORD may place "For Sale" or "For Rent" signs on the premises at any time.

In such case, TENANT hereby waives all claims against LANDLORD for any damages suffered by such condemnation, damage, destruction or lease termination. In the event of any vandalism or other intentional damage on the premises, LANDLORD is not responsible for the replacement or repair of any damaged items, including but not limited to windows, screens, doors or locks. TENANT agrees that in the event there are hurricane or storm shutters on the premises, TENANT shall both install and take down same in the event there is a hurricane or tropical storm watch or warning in effect and/or at the request of the LANDLORD. If TENANT is unable to perform this task for any reason, TENANT agrees to notify LANDLORD as soon as any storm watch or warning is placed into effect; LANDLORD has the right, but not the obligation, to install shutters or take other protective actions.

MOLD: LANDLORD reserves the right to terminate the tenancy and TENANT(s) agree to vacate the premises in the event a licensed mold inspector believes that there is mold or mildew present in the dwelling unit which may pose a safety or health hazard to TENANT(s) or other persons, or if it is determined by an HVAC professional or air quality specialist that TENANT is failing to use the air conditioning adequately or causing other conditions conducive to mold or mildew growth. LANDLORD shall have the right to terminate the lease agreement by giving the TENANT no less than 7 days' written notice and hold TENANT responsible for any damages caused by mold or mildew.

TENANT at all times, will indemnify and hold harmless LANDLORD from all losses, damages, liabilities and expenses which can be claimed against LANDLORD for any injuries or damages to the person or property of any persons, caused by the acts, omissions, neglect or fault of TENANT, or TENANT'S agents, family or guests, or arising from TENANT'S failure to comply with any applicable laws, statutes, ordinances or regulations.

DISPUTES AND LITIGATION: In the event of a dispute concerning the tenancy created by this agreement, TENANT agrees that whether or not the premises are being actively managed by an AGENT for the record OWNER, TENANT agrees to hold AGENT, its heirs, employees and assigns harmless and shall look solely to the record OWNER of the premises in the event of a legal dispute.

INTEGRATION: This lease and exhibits and attachments, if any, set forth the entire agreement between LANDLORD and TENANT concerning the premises, and there are no covenants, promises, agreements, conditions, or understandings, oral or written between them other than those herein set forth. If any provision in this agreement is illegal, invalid or unenforceable, that provision shall be void but all other terms and conditions of the agreement shall be in effect.

MODIFICATIONS: No subsequent alteration, amendment, change or addition to this lease shall be binding upon LANDLORD unless reduced to writing and signed by the parties.

RADON GAS: State law requires the following notice to be given: "Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit."

MOLD ADDENDUM TO LEASE

THIS ADDENDUM IS AGREED TO AND SHALL BE MADE PART OF THE LEASE AGREEMENT BETWEEN OWNER NAME (LANDLORD) AND TENANT NAMES (TENANTS) FOR THE PREMISES LOCATED AT ADDRESS.

MOLD: Mold consists of naturally occurring microscopic organisms which reproduce by spores. Mold breaks down and feeds on organic matter in the environment. The mold spores spread through the air and the combination of excessive moisture and organic matter allows for mold growth. Not all, but certain types and amounts of mold can lead to adverse health effects and/or allergic reactions. Not all mold is readily visible, but when it is, can often be seen in the form of discoloration, ranging from white to orange and from green to brown and black, and often there is a musty odor present. Reducing moisture and proper housekeeping significantly reduces the chance of mold and mold growth.

CLIMATE CONTROL: TENANT(s) agree to use all air-conditioning, if provided, in a reasonable manner and use heating systems in moderation and to keep the premises properly ventilated by periodically opening windows to allow circulation of fresh air during dry weather only. LANDLORD RECOMMENDS THAT AIR CONDITIONING IS USED AT ALL TIMES IF THE UNIT HAS AIR CONDITIONING.

Simple Steps To Protect Your Family From Lead Hazards

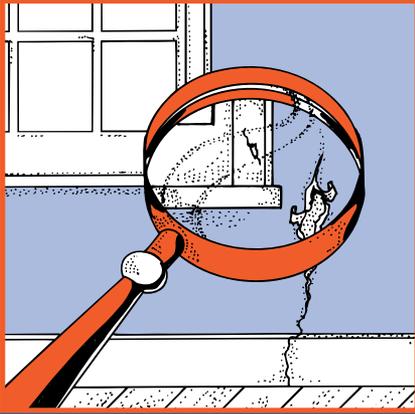

If you think your home has high levels of lead:

- ◆ Get your young children tested for lead, even if they seem healthy.
- ◆ Wash children's hands, bottles, pacifiers, and toys often.
- ◆ Make sure children eat healthy, low-fat foods.
- ◆ Get your home checked for lead hazards.
- ◆ Regularly clean floors, window sills, and other surfaces.
- ◆ Wipe soil off shoes before entering house.
- ◆ Talk to your landlord about fixing surfaces with peeling or chipping paint.
- ◆ Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1-800-424-LEAD for guidelines).
- ◆ Don't use a belt-sander, propane torch, high temperature heat gun, scraper, or sandpaper on painted surfaces that may contain lead.
- ◆ Don't try to remove lead-based paint yourself.

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

OWNERS, BUYERS, and RENTERS are encouraged to check for lead (see page 6) before renting, buying or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children who seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

Even children who appear healthy can have dangerous levels of lead in their bodies.

People can get lead in their body if they:

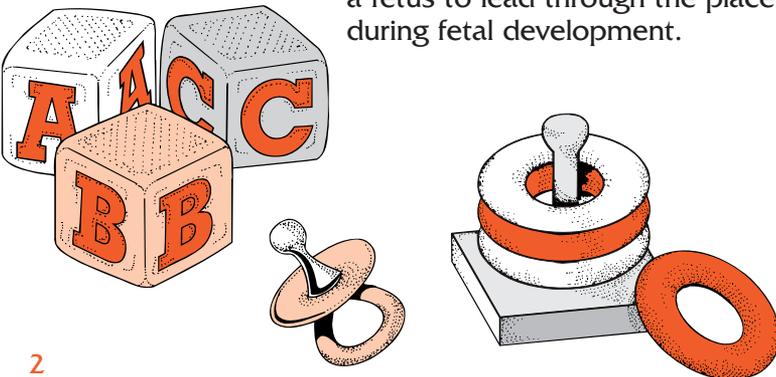

- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).
- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contains lead.

Lead is even more dangerous to children under the age of 6:

- ◆ At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- ◆ Children's growing bodies absorb more lead.
- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead is also dangerous to women of childbearing age:

- ◆ Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

In children, lead can cause:

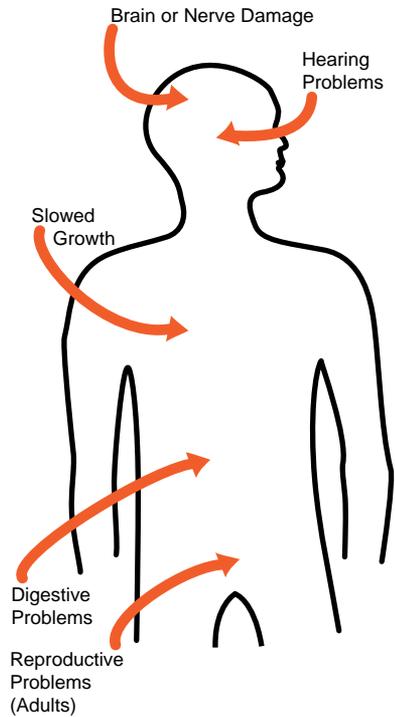

- ◆ Nervous system and kidney damage.
- ◆ Learning disabilities, attention deficit disorder, and decreased intelligence.
- ◆ Speech, language, and behavior problems.
- ◆ Poor muscle coordination.
- ◆ Decreased muscle and bone growth.
- ◆ Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and, in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

In adults, lead can cause:

- ◆ Increased chance of illness during pregnancy.
- ◆ Harm to a fetus, including brain damage or death.
- ◆ Fertility problems (in men and women).
- ◆ High blood pressure.
- ◆ Digestive problems.
- ◆ Nerve disorders.
- ◆ Memory and concentration problems.
- ◆ Muscle and joint pain.

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- ◆ In homes in the city, country, or suburbs.
- ◆ In apartments, single-family homes, and both private and public housing.
- ◆ Inside and outside of the house.
- ◆ In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have. Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- ◆ Children at ages 1 and 2.
- ◆ Children or other family members who have been exposed to high levels of lead.
- ◆ Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- ◆ Windows and window sills.
- ◆ Doors and door frames.
- ◆ Stairs, railings, banisters, and porches.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- ◆ 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- ◆ 400 parts per million (ppm) and higher in play areas of bare soil.
- ◆ 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home tested for lead in several different ways:

- ◆ A paint **inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- ◆ A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- ◆ A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- ◆ Visual inspection of paint condition and location.
- ◆ A portable x-ray fluorescence (XRF) machine.
- ◆ Lab tests of paint, dust, and soil samples.

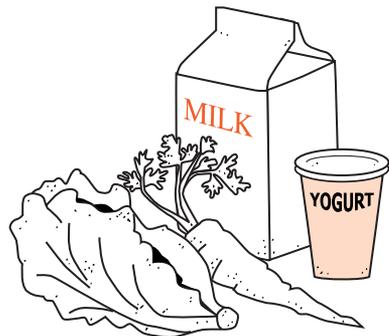

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

Home test kits for lead are available, but may not always be accurate. Consumers should not rely on these kits before doing renovations or to assure safety.

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- ◆ If you rent, notify your landlord of peeling or chipping paint.
- ◆ Clean up paint chips immediately.
- ◆ Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.
- ◆ Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- ◆ Wash children's hands often, especially before they eat and before nap time and bed time.
- ◆ Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- ◆ Keep children from chewing window sills or other painted surfaces.
- ◆ Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- ◆ Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- ◆ You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called “interim controls”) are not permanent solutions and will need ongoing attention.
- ◆ To **permanently** remove lead hazards, you should hire a certified lead “abatement” contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- ◆ 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- ◆ 250 $\mu\text{g}/\text{ft}^2$ for interior windows sills; and
- ◆ 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovating anything that disturbs painted surfaces (such as scraping off paint or tearing out walls):

- ◆ **Have the area tested for lead-based paint.**
- ◆ **Do not use a belt-sander, propane torch, high temperature heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- ◆ **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- ◆ **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

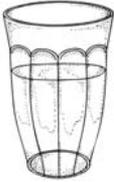

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

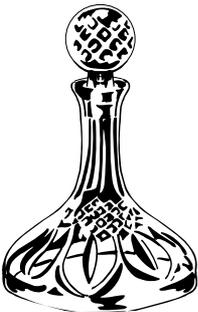

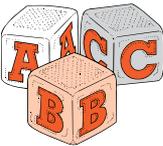

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

Other Sources of Lead

While paint, dust, and soil are the most common sources of lead, other lead sources also exist.

- ◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- ◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- ◆ Old painted **toys** and **furniture**.
- ◆ Food and liquids stored in **lead crystal** or **lead-glazed pottery or porcelain**.
- ◆ **Lead smelters** or other industries that release lead into the air.
- ◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- ◆ **Folk remedies** that contain lead, such as “greta” and “azarcon” used to treat an upset stomach.
